OAZA alat - muska linija krema

Moćna, ultrahidratna krema lagane teksture, formulisana za specijalne potrebe dehidrirane kože. Ova krema sadrži ekskluzivnu kombinaciju snažnih prirodnih hidratacionih sastojaka (hijaluronske kiseline, ceramida, ekstrakta i putera manga i vitamina) efikasnih u borbi protiv starenja kože. Hidrira i zateže kožu lica smanjujući efekte finih linija i bora. Brzo se upija čineći kožu lica glatkom i zategnutom. Posebno pogodna za normalnu i suhu osjetljivu kožu.  
Uputstvo: naneti kremu ujutru i/ili uveče na očišćenu kožu lica i vrata.

- "Needle-free" hijaluronska kiselina
- Ceramidi
- Ekstrakti aloje, manga, mandarine & tamarinda
- Aminokiseline
- Vitamini C,E,F,B5, B3 & beta gluklan imuno kompleks
